io Wall

Inspired by the fluted detailing of the ancient Greek pillars, the io Wall presents a fluted clear glass form with a glowing cylinder of light at its centre. Hand-crafted to the highest quality, with no detail spared. The delicacy of the glass adds a real sense of luxury to any interior space.

Fuse USB

The popular Fuse design has been upgraded to include a USB socket, a useful feature for connecting devices next to the bedside. The discreet cylinder houses a new generation, recessed LED to reduce glare and can be mounted horizontally or vertically and accommodates both right and left-handed requirements.
